About LAMDA Examinations

LAMDA began offering speech and drama examinations to the public in the 1880s. Since then, these examinations have been refined and developed into a comprehensive system of performance evaluation by experts in education, acting and communication.

In addition to being the largest Speech and Drama awarding body in the United Kingdom, LAMDA Examinations has a reputation for excellence worldwide.

Our mission is to:

- improve standards in communication through the spoken word
- foster an appreciation of literature, poetry and drama
- acknowledge levels of achievement
- support the creative, intellectual and social development of the individual as a whole.

Our challenge is to recognise achievement in communication and performance and to support the development of self-esteem of children, young people and adults across the globe.

A note on Language

English is used and explicitly expressed in all LAMDA Examinations specifications/syllabi and assessment materials. Examinations are conducted in English. The language used in all specifications/syllabi, assessment materials and during practical assessment is explicit, plain, free from bias and appropriate to the examination.

Whilst LAMDA offers examinations in Ireland and Wales, it does not offer examinations using Welsh or Irish (Gaeilge) languages.

The Diploma Catalogue

LAMDA'S accredited qualifications at Levels 1, 2 and 3 feature in the Diploma Catalogue in the UK. They are accredited as either Additional or Specialist Learning within Diplomas.

Additional and Specialist Learning (ASL)

Additional and Specialist Learning (ASL) provides learners with greater breadth (Additional Learning) and depth (Specialist Learning) of study and enables them to tailor their personal programmes to their own interests and aspirations. For learners: the subjects you choose as part of the Additional and Specialist Learning offer the opportunity to study a particular topic in more depth or to study something different that widens your experience. Additional and Specialist Learning will broaden your horizons and help to open up different opportunities in future study and employment.

The role of Component Awarding Bodies (CABs) in the Diploma

In the UK the role of Component Awarding Bodies (CABs) in 2009 is to support centres and consortia in understanding the operational arrangements and Diploma processes in relation to the CAB's qualifications that contribute to the overall Diploma award.

A Component Awarding Body (CAB) offers the constituent qualifications that contribute to the Diploma including the Additional and Specialist Learning (ASL). CABs will register and support centres in delivering these constituent qualifications.

CABs support centres on administration surrounding the CAB's own qualifications in the ways outlined below, once the centre has been registered by the CAB for delivery of the qualification(s) in question. It does this by:

- a. Helping centres understand what they need to do to secure the assessment and award of a qualification. This will include communicating to the centres the administrative tasks leading up to the award of the qualification and the results being entered onto the diploma aggregation service (DAS).
- b. Externally quality assuring the centre and its data submissions to ensure validity, accuracy, completeness and timeliness. This includes verifying the learner details referenced by the unique learner number (ULN), as far as they refer to the CAB.
- c. Supplying results data to the diploma aggregation service (DAS) within 10 days of qualifications being awarded in accordance with agreed service levels and commercial terms.
- d. Verifying the relevant prior achievement of Diploma learners for the constituent qualifications they offer and updating DAS within 10 days of verifying a prior learning request
- e. Investigating cases of missing results with centres, where the learner and their qualification are known on DAS and to the CAB.
- f. Working with centres and relevant DABs to ensure DAS holds all relevant constituent qualification results for learners receiving a Diploma award.
- g. Clarifying the timescales and requirements for enquiries or appeals, and handling them.

CABs will provide advice, guidance and support to centres on the above topics through their normal channels of support.

CABs will also support centres on curriculum-related issues, including providing guidance in curriculum planning and ensuring standards.

Reasonable Adjustments

LAMDA Examinations offers open access to all examinations, irrespective of ethnicity, nationality, gender, religion, sexual orientation, disability, creed or marital status.

LAMDA Examinations will comply with the terms of all relevant UK legislation, including the Disability Discrimination Act, with regard to access arrangements and reasonable adjustments to the examination process.

Such adjustments must be agreed before an examination to enable learners who might not otherwise be able to do so to demonstrate their attainment or competence.

Learners, Teachers and/or Centres on behalf of learners with particular needs, may apply for reasonable adjustments to be made to examination requirements by marking the learner entry form and submitting the entry with an 'Application for Reasonable Adjustment Form'.

Examination Entry forms provide space for teachers and/or learners to bring to LAMDA Examinations attention any special circumstances or needs which the learner wishes to be considered. The learner will still be examined against standard criteria. The examination procedure or the environment may be adjusted to accommodate the specified circumstances.

In granting reasonable adjustments to the examination, cases will be judged on an individual basis.

Adjustments to the examination must not give the learner an unfair advantage over other learners.

Adjustments to the examination must not compromise the integrity of the examination or reduce its reliability or validity.

Learners, Teachers and/or Centres on behalf of learners may contact LAMDA Examinations directly if they wish to discuss specific reasonable adjustments for their learners, prior to submitting the entry and application form.

Learners requiring access to a Braille text for examinations that require a sight-reading should submit their Application for Reasonable Adjustment 8 weeks before the examination session to allow for a Braille document to be produced.

All public examination centres have wheelchair access.

Special Considerations

A Special Consideration is a consideration given following a period of assessment for the learner who:

- was prepared and present at an assessment but who may have been disadvantaged by temporary illness, injury or adverse circumstances that have arisen at or near the time of assessment
- misses part of the assessment due to circumstance outside their control (i.e. Fire alarm).

Examples of Special Considerations

- Terminal Illness
- Recent bereavement of member of immediate family
- Incapacity
- Recent traumatic experience
- Flare up of severe congenital illness such as epilepsy, diabetes or asthma.

LAMDA Examinations would expect provision and arrangement in place to enable the learner in circumstances to complete assessment and thereby achieve the qualification/unit. Only when this is unsuccessful should an application for special considerations be made. All applications for special considerations will be made on a case by case basis. Special considerations must be submitted to LAMDA Examinations in writing, detailing the circumstances and enclosing the examination report form, within 10 working days following the examination date.

A learner who is prevented by illness or other circumstances beyond his or her control from participating in an examination will, on production of evidence from a medical practitioner and/or employer to support the claim, be allowed to retake it at no additional cost at the next scheduled opportunity. LAMDA Examinations will only consider making aegrotat awards for examinations that do not require assessment of practical competence.

If the application is successful the learner's performance will be reviewed in the light of the available evidence

It is important to note it will not be possible to apply special considerations in instances where assessment requires the demonstration of practical competence or where the criteria have to be fully met.

In these circumstances where the assessments are demand assessments (Practical, Oral presentations, Performance- based) LAMDA Examinations will offer the learners affected the opportunity to take the assessment again at a later date. If this is decided by LAMDA Examinations as the most appropriate action it will award a full or part Transfer Credit Voucher (TCV) refunding the fee to the learner(s) in question. A TCV is non transferable and valid for one year only. For re-entry learners must complete an entry form, enclosing their vouchers and fee balance.

Regulations for All Examinations

- 1 Teachers and learners should refer to the 'General Notes and Regulations' printed in each individual subject area throughout the specifications.
- 2 Learner registration is accepted as evidence that the learner agrees to the regulations laid down in the specifications.
