## ABOUT LAMDA

As the oldest drama school in the UK, founded in 1861 as the London Academy of Music and Dramatic Art, LAMDA is a world-leading conservatoire based in the heart of London, offering exceptional vocational training to actors, stage managers, technicians, directors and designers, regardless of their background or socio-economic circumstances. In 1965, LAMDA became the first drama school to introduce technical training and quickly became a prototype for other institutions branching into this area.

LAMDA is also an Ofqual-registered awarding body, offering world renowned qualifications in communication and performance and inspiring the next generation of confident communicators through qualifications in performance and communication.

LAMDA has been registered with the Office for Students as a stand-alone Higher Education Provider since 2019 and was granted full degree awarding powers in 2021. We believe drama has the power to transform lives. Our students graduate as authentic, confident and independent artists or technicians, capable of shaping their own careers.

Conservatoire training is, by its nature, selective, training only the best; course numbers are limited and LAMDA teaches in small groups. There is a core cohort of just under 400 UK and international students a year across six-degree courses and other HE courses. The school also welcomes around 360 students onto other courses during the year, including short courses run during Spring and Summer vacations. LAMDA is a leader in performing arts training and strives for excellence in every facet of our organisation.

At the heart of LAMDA's approach is a commitment to the ensemble, stressing the importance of collaboration to achieve excellence. LAMDA nurtures every student's unique talents to give them the tools they need to become independent, creative artists and technicians, along with all the help and guidance they need to transition and make their mark within the creative and performing arts industry. Alongside this, LAMDA is committed to ensuring that its training is accessible to all. LAMDA has several substantial measures in place to widen access to Higher Education and is committed to the creation of pathways to our training for those from the Global Majority, those from low socio-economic backgrounds and care leavers.

The work of the Academy is complemented by that of LAMDA Examinations, through which LAMDA offers a drama and communications-based syllabus leading to accredited and non-accredited awards in the UK and overseas.

In 2017, LAMDA moved into its new £28.2m centre for world-leading drama training. LAMDA's new home features ten large training and rehearsal studios, three theatres - the 200 seat Sainsbury Theatre, 120-seat the Carne Studio Theatre and the Linbury Studio, and a fully equipped digital and audio suite. In January 2018, LAMDA alumnus Benedict Cumberbatch was appointed the Academy's President.

In July 2018, LAMDA joined the register of Higher Education Providers, a key step towards achieving degree awarding powers. LAMDA now operates independently from the Conservatoire of Dance and Drama, receiving funding directly from the Office for Students. LAMDA was granted full degree awarding powers in 2021.

LAMDA Alumni include Nikki Amuka-Bird, Patricia Hodge, Janet Suzman, Chiwetel Ejiofor, Jeremy Irvine, Rory Kinnear, Harriet Walter, Rose Leslie, Paterson Joseph, David Oyelowo, Katherine Parkinson, Toby Stephens, David Suchet, Sam Claflin, Leah Harvey, and Ruth Wilson, among many others.
